U.S. Marine Corps Forces, Pacific
-Safety Update-

Mr. Keith Glavac
Marine Forces Pacific
Ground Safety Manager
DSN 477-8862

MARFORPAC
Aviation Safety Initiatives

- Airspace Deconfliction Working Groups
- Bird/Animal Strike Hazard Programs (BASH)
- Improved FOD Programs
- More Emphasis on Specific Aircraft Training/Aircrew Currency
- Ensuring Strict Compliance With SOPs

MARFORPAC
On-Duty Ground Safety Initiatives

- Deploying 17 Full-Time Safety Officers - OIF II
- Comprehensive Mishap Investigation Kits
- Identified and Marked Hazardous Training Area Roadways
- Operational Safety Assessment Teams
- NVG Awareness Training for Drivers
- Additional SIB Requirements
- Range Safety Involvement
- Full utilization of Safety Councils and Committees
- MARFORPAC Tactical Safety Checklist
- Base Camp Fire Protection Bulletin

MARFORPAC
Civilian Tactical Safety Support

- **Units With Civilian Tactical Safety Specialists**
  - I MEF
  - III MEF
  - MCB Camp Pendleton
  - MCBH
  - MCBJ
  - MFP
  - MCAS Yuma
  - 3D MAW
- **Recent Examples of Support**
  - OIF I (I MEF FWD)
  - Cobra Gold
  - WTI
  - Crocodile
  - PTA
  - MPF Offload/Korea
  - MARFORPAC TSS to Augment Army Safety Center Survey Team
    - OIF II (5 Months)

MARFORPAC
Off-Duty/Recreational Safety Initiatives

- Mandatory Motorcycle Clubs
- Additional Motorcycle Training Requirement
- More Motorcycle Safety Instructors
- Increased Water Safety Education
- 40-Hour Drivers Course
- Partnering
  - USO
  - National Safety Council
  - National Highway Safety Council
  - National Motorcycle Safety Foundation
- Single Marine Program
- Local Drive Safe Program
- “Arrive Alive Program”
- “Alive at 25 Program” (DIC Alternative)
- “Click it or Ticket”

MFP Safety Training and Education

- **Ground Safety for Marines Course (MTT)**
  - FY 03 Marines Trained- **94**
  - FY 04 Marines Trained- **104**
    - Six Classes Total
  - Units Instructing:
    - I MEF
    - III MEF
    - MCB Camp Pendleton

- **Tactical Safety Course**
  - Primarily for Civilian Safety Specialists
  - Total **81** Marines/Civilians Trained to Date
  - Courses Taught at :
    - III MEF (2)
    - MCAS Yuma (2) in Conjunction with WTI
    - I MEF

MFP Leadership Safety Initiatives

- 18 of the 37 Core Safety Service Billets Filled
  - 12 Billets Identified for FY05 Funding
- Focused SNCO/NCO Training to “Do the Right Thing”
- “Think Safety First”
- “Everyone is a Safety Officer”
- Activity Based Costing (ABC) Modeling
- Business Based Decision Making
- Safety Engaged in Deployments and Exercises

Training and Education

- **Ground Safety for Marines Course (MTT)**
  - FY 03 Marines Trained- **94**
  - FY 04 Marines Trained- **104**
    - Six Classes Total
  - Units Instructing:
    - I MEF
    - III MEF
    - MCB Camp Pendleton

MFP On-Duty Ground Goal
CMC Reduction Goal of 25% in Serious Accidents
(Class A & B) for FY01, and Further Reduction of 5%
per Year From FY02 Through FY06

	1999	2000	2001	2002	2003	2004	2005	2006
Actual	17	15	17	19	30	1		
CMC Goal	17	17	12.75	11.9	11.05	10.2	9.35	8.5

MFP Off-Duty PMV and Recreational Goal
CMC Mishap Reduction Goal of 25% in Serious Accidents
(Class A & B) for FY01, and Further Reduction of 5% per year
from FY02 through FY06

	1999	2000	2001	2002	2003	2004	2005	2006
Actual	44	40	25	33	21	11		
CMC Goal	44	44	33	30.8	28.6	26.4	24.2	22

MARFORPAC
Training & Operational Mishap Fataliti

- **FY03 - 29**
  - **21 - OIF I**
- **FY04 - 2**
  - **1-HMMV**
  - **1-M1A1– Afloat Mishap**

MARFORPAC
Off-Duty Fatalities

- **FY03 - 18**
  - 4-Wheel – 6
  - 2-Wheel – 6
  - Ped./Bicycle – 0
  - Shore/Rec – 6

- **FY04 - 13**
  - 4-Wheel – 7
  - 2-Wheel – 2
  - Ped./Bicycle – 0
  - Shore/Rec – 4

MFP On-Duty Industrial Goal

Reduce the Overall Occurances of Injuries to our Civilian Employees by 15% per Year Through FY06

	1999	2000	2001	2002	2003	2004	2005	2006
Actual	85	74	59	104	76	7		
CMC Goal	85	85	72.25	61.41	37.54	31.91	27.12	23.05

Class A, B and C

MFP On-Duty Aviation Goal

CMC Mishap Reduction Goal of 25% in Serious Accidents (Class A & B) for FY01, and Further Reduction of 5% per year from FY02 through FY06

	1999	2000	2001	2002	2003	2004	2005	2006
Actual	14	14	0	9	10	6		
CMC Goal	14	14	10.5	9.8	9.1	8.4	7.7	7

FM/FRM/AGM

MARFORPAC
Safety Initiatives

- **Tactical Safety Course**
  - Primarily for Civilian Safety Specialists
  - Total **81** Marines/Civilians Trained to Date
  - Courses Taught at :
    - III MEF (2)
    - MCAS Yuma (2) in Conjunction with WTI
    - I MEF

MARFORPAC
Safety Initiatives

- **Mandatory Motorcycle Safety Clubs at all Bases and Stations**

- **MARFORPAC Tactical Safety Checklist**
  - Used Throughout Many of the Battalions

MARFORPAC
Safety Initiatives

- **I MEF**
  - Outfitted Commands with Comprehensive Mishap Investigation Kits
  - Identified and Marked Hazardous Training Area Roadways With Photo-Luminesent Taped Markers for use With Night Vision Devices Aboard Camp Pendleton
  - Deploying 17 Full-Time Safety Officers (MOS 9956) during OIF II

MARFORPAC
Safety Initiatives

- **1st FSSG**
  - Operational Safety Assessment Teams
    - Convoys
    - Field Maintenance
    - Demanding CSS Mission
- **1st MARDIV**
  - Provides NVG Awareness Training for all Drivers
  - Reports - Units That Have Full-Time Safety Officers Have Reduced Mishaps by 50% and Traffic Violations by 40%.
    - Collateral Duty Safety Officers Struggling to Maintain Programs in Their Units.

MARFORPAC
Safety Initiatives

- **3D MAW**
  - Additional Motorcycle Safety Course Required Every Two Years
  - Remedial Driver Training for Traffic Violation Offenders
- **III MEF**
  - SIB Requirement for All GMV Mishaps in Excess of $500 Damage
  - Civilian Safety Specialist Assigned as Primary Staff Member and is Involved With all Training and Operational Planning.
  - Provides Executive Officer Safety Training

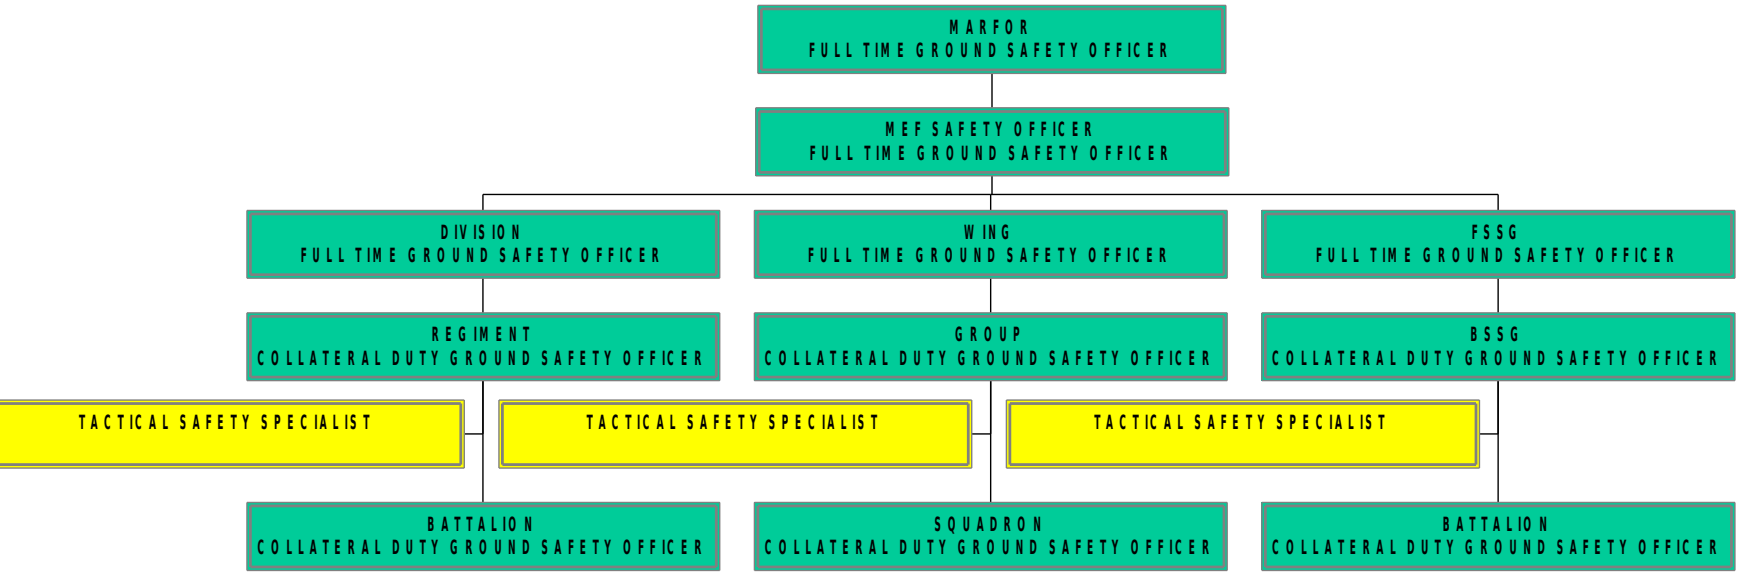
MARFORPAC
Safety Initiatives

- **3D FSSG**
  - Commander's Push to Ensure all Marines, Sailors and Civilians Think "Safety First"
  - Group Safety Office Engaged in all Deployments and Exercises
  - Developing a 20 Minute Water Safety Video
- **3D MARDIV**
  - Each Member of the Command is a "Safety Officer"
  - Drive Safe Program
  - Single Marine Program
  - Arrive Alive Program

MARFORPAC
Safety Initiatives

- **1st MAW**
  - Partnership with USO and Bases to Promote Off-Duty Alternative Venues for Safe On-Base Liberty Environment
  - Focusing on NCO and SNCO Leadership Training to “Do the Right Thing”
  - Operational Safety Teams
    - Assigned to Each Deployment to Anticipate Site-Specific Hazards to Avoid Mishaps

Safety Structure



MARFORPAC Safety Initiatives

- **Base and Station Safety Offices**
  - Focusing on the 10 Core Safety Services
    - 18 of the 37 Core Safety Service Billets Filled
    - 12 Billets Identified for FY05 Funding
    - 7 Billets Remaining for FY06 Funding
- **MCB Camp Pendleton**
  - Provides Range Control Assistance for Inspection of all Ranges to Include During Firing
  - Increased DIC and Motorcycle Instructors to Meet Demand
  - Excellent Partnering
    - National Safety Council
    - National Highway Safety Council
    - National Motorcycle Foundation

MARFORPAC
Safety Initiatives

- **MCBJ**
  - Introduced 40-Hour Driver's Course for all LCpl's and Below
  - Increased Water Safety Education Efforts on Okinawa
  - Established MCAS Futenma Safety Manger Position
- **MCBH**
  - Created Motorcycle Association
  - Innovative Safety Stand-Downs
  - Focus on Civilian Employee Safety Training
  - Annual Motorcycle Training Requirement

MARFORPAC
Safety Initiatives

- **MCAS Iwakuni**
  - Utilize Activity Based Costing (ABC) Model for Safety Compliance and Accuracy
  - Safety Planning: Strength, Weakness, Opportunity, and Threat (SWOT) Analysis
  - Fostered Business Based Decision Making at all Levels to Support Safety Strategy
- **MCAS Camp Pendleton**
  - Airspace Deconfliction Working Group
    - Airspace Management to Support Operational Growth
  - Akron Tower Lowering
    - Allows Less Restrictive Final Approach Course

MARFORPAC
Safety Initiatives

- **MCAS Miramar**
  - Implemented Bird/Animal Strike Hazard Program (BASH)
  - Improved FOD Program
  - ORM Training to Civilian Employees
  - Promoting Fundamental Change Into Daily Tasks and Off-Duty Actions
- **MCAS Yuma**
  - Focus on Resident Aircraft Specific Training, Tracking of Currency Requirements and Ensuring Strict Compliance With SOPs
  - Full Utilization of Safety Councils and Committees
  - “Arrive Alive” Program
  - “Alive at 25” Program (DIC Alternative)
